

Linda – I’ve attached the “2017 fire season in review” testimony that Tracy Beck delivered this past January along with supporting notes. Figured this could be useful; it gives you a format to follow if nothing else.

Subject: RE: Friday’s Presentation - 2018 Fire Season in review - OR State Assembly

See email I just sent to Glenn! We need a few slides to summarize 2018 federal fire season in Oregon. Talking points on relationship would be nice, but not sure what that would look like! Any suggestions?

Hi all-

With Traci having been on leave last week, I wanted to check on the status of this effort. Linda, do you have what you need for this? Thanks.

L/D: Good morning. Today, can you send me the outline/presentation we’re providing this coming Friday on the above mentioned subject?

Monica - Can you schedule a call with Peter Daugherty on either Wednesday or Thursday (preferably at noon) or whatever works in prep for the Friday briefing and meeting on shared stewardship? Thanks.
